

HBI C-Core Member Interest Card

(Student)

Succeed! Let an HBI C-CORE mentor help you develop a game plan, skills and knowledge to create your own success! Our mentoring is unique because it will match you with a mentor from the home building industry who will offer support, guidance and good examples for you to follow while coaching you to reach your potential goals. HBI C-CORE mentors are here to help you step up your game and get off bench for the most important game you will ever play...THE GAME OF LIFE!

The Home Builders Institute (HBI) Construction-Coaching Opportunities to Reach Employment (C-CORE) is an industry sponsored mentoring opportunity that serves youth with potential, ages 16 to 18, with the aim of improving job placement and retention in careers associated with the home building industry. More specifically, C-CORE is designed to reduce involvement in substance abuse, truancy and other risky behaviors. C-CORE mentoring is unique in that it matches youth who are participating in residential construction training programs or interested in the field with mentors from the industry. The goal is to further strengthen young people's commitment to an eventual career in any aspect of the industry, from electricians to plumbers to carpenters and real estate agents. As with other HBI programs, C-CORE will include youth involvement in local industry-focused community service projects that promote leadership development, community attachment and relationship building.

WOULD YOU LIKE TO KNOW MORE ABOUT JOINING HBI C-CORE? YES NO
