

10 Reasons to Join

• **Advocacy**

We give you a stronger voice by representing your interests at the local, state, and national levels of government.

• **Regulatory Assistance**

We work with the administration and legislature in the development of regulations, codes, and standards that make common sense and make housing more affordable.

• **Education**

We provide industry specific educational seminars for you and your employees.

• **Special Interest Groups**

Join your peers in a Council or Committee that addresses your specific industry interests.

• **Industry News**

Receive communications to keep you informed about the local building industry.

• **Marketing Opportunities**

Expand your business network at meetings and events. Advertise in our publications. Exhibit in trade shows. Sponsor Association events. These are just ways to profit from your membership by building relationships that work.

• **Business Savings**

Money-saving programs for Health Insurance, Workmen's Compensation Insurance, General Liability Insurance, Section 125 Plans, and Staffing and HR Resources. Take advantage of the discounts associated with "Doing Business with a Member."

• **Industry Recognition**

Receive business and personal recognition at various formal award programs.

• **Business Support**

Your membership with BANN includes membership with the National Association of Home Builders, a huge resource for industry support.

• **Members Only Directory**

Looking for a specific business in our area with which to do business? You will find them in our Membership Directory.
