

At the Builders Association of Northern Nevada we pride ourselves on being strong supporters of the community. In 1998 we started our own charity organization, the Builders Association Charity (BAC). BAC supports children in northern Nevada (and their families) who are suffering from a catastrophic illness or situation. For more information about BAC please visit www.bacharity.org or call (775) 329-2424.

The Builders also supports other charitable organizations and events. Unfortunately, we can't accommodate every request. Please consider how the mission of your event fits the building industry. The Builders' Executive Committee will only review requests directly or indirectly related to the building industry, if they are beneficial to the building industry, or if they are championed by a BANN member.

Please complete this form and return it to The Builders a minimum of 6 weeks prior to any advertising deadlines.

General information

Name of Organization: _____

Address: _____
